Please reinforce with karen the need to keep us in the info loop on bay delta issues. A simple cc would do.

Thanks and I hope ur feeling better.

FYI, the same lobbyist (a former EPA person in Congressional Affairs under Bush II) has already met with the Westlands contingent with Nancy Stoner in March, and they will all meet with Bob Perciasepe and possibly Bob Sussman on next Wednesday. They are making the rounds.

Bob P.'s folks asked for a briefing paper on the BDCP. I'll send you what we sent them in my next email. Feel free to send that on to Cliff.

Hi Susan:

Can you give me a call Monday morning? I don't see the down side for Kathy and/or Angeles to listen in on a 30 minute meeting.

Thanks

FYI - Cliff Rader (OFA NEPA Compliance Division Director) informed me today that a DC-based consultant (Katherine Karen?) who represents Westlands Water District has scheduled a 1/2-hour meeting with him for a group of Westlands representatives on Monday, June 11, at 3pm EDT to discuss the Bay Delta project. One of the Westlands participants is Roger Martella, former EPA General Counsel. I requested that Cliff allow Region 9 to listen to the meeting via phone, but he thought that it would be better, from his perspective, for us not to do that. He agreed to let me know, after the meeting, what was discussed.
